On January 27, 2012, I met with several members of the Northern Arizona CRP, located in Flagstaff.

I reviewed helpful “Tips and Strategies” for Citizen Review Panels, including:

- Strategies for collaboration and accountability
- Examples of CRP successes nationally
- Recruitment strategies
- Budgeting and other financial issues
- SMART Indicators
- Other Strategic Planning information
- SWOT Analysis

I then engaged them in a brainstorming exercise regarding their plans for the rest of 2012, and we discussed recruitment of new members to more fully embrace diversity on their panel. The panel members came up with several ideas in addition to the case reviews which they already do, including having a conference and looking at training for staff members.

I offered to provide follow-up consultation via email or phone.
