On January 11, 2012, I met with several members of the leadership team at Arizona's Division of Children, Youth and Families. They had numerous questions regarding Citizen Review Panels. I discussed best practices with them, and noted the importance of developing a good relationship with the Panels.

On January 12, 2012, I met with several members of the Southern Arizona CRP, located in Tucson.

I reviewed helpful "Tips and Strategies" for Citizen Review Panels, including:

- Strategies for collaboration and accountability
- Examples of CRP successes nationally
- Recruitment strategies
- Budgeting and other financial issues
- SMART Indicators
- Other Strategic Planning information
- SWOT Analysis

On January 13, 2012, I met with the Central Arizona CRP located in Phoenix and provided the same training. Both teams also discussed strategic planning ideas and tentative plans for the coming year.

I offered to provide follow-up consultation via email or phone.
