On February 8, 2012, I met with about 30 members of Michigan's Citizen Review Panels (Children's Trust Fund, the Governor's Task Force on Child Abuse and Neglect, and the Child Death Review Team).

I reviewed helpful "Tips and Strategies" for Citizen Review Panels, including:

- Strategies for collaboration and accountability
- Examples of CRP successes nationally
- Recruitment strategies
- Budgeting and other financial issues
- SMART Indicators
- Other Strategic Planning information
- SWOT Analysis

I also led them through a brainstorming session in which they came up with numerous ideas about how to connect their various teams throughout the year. These included: forming a steering committee with members of each group and connecting on a "safe sleep initiative" during 2012.

I offered to provide follow-up consultation via email or phone.
